

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both parts and technical support obtainable when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machinery ready and running everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work together to make them an industry leader.
