Advance-Nilfisk Parts - Imagine how long and tiresome it would be to clean-up right after a party, with out assistance from equipment. Not too long ago, the dirt from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the top cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Starting the business in the year 1906, he started to make motors so as to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to have an international company advertising merchandise worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that could be operated by a single individual as it only weighed 17.5 kilos! This invention came in a time where other cleaning machines were very big and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the way we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an existing problem; things get dirty and should be cleaned frequently, without too much effort.

Slowly, the company Nilfisk-Advance grew all through the years. In the early nineteen eighties the business grew more rapidly when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, aspiring to be an active worldwide player in manufacturing professional cleaning machines. Nilfisk-Advance is now located in every part of the globe due to steadily acquiring a lot of small companies to be able to expand their product range and presence in new markets. They are proud to provide various cleaning solutions to suit every requirement.
