

Concrete Hopper

Concrete Hopper - This attachment is a self-dumping hopper that automatically starts to dump as bumper release touches the side of a dumpster. Once dumping is completed, the hopper goes back to a locked and upright position. This piece of equipment likewise comes with a cable which enables operation from the seat of the lift truck so as to have the option of manually dumping the hopper. There is a locking chain provided to be able to lock the hopper to the fork truck. This particular product is constructed with consistent and reliable robotic welds for maximum strength. The forklift dumping hopper likewise has a blue powder coat finish in order to maintain durability.
